Claim scenarios

Cyber liability

Your computer network is “hacked” by an unauthorized user who steals your client’s confidential information and sells it to the local tabloid newspaper. The newspaper publishes the information and, as a result, your client files a lawsuit against you and your firm. Your Travelers 1st Choice+ Lawyers Professional Liability policy will provide defense and indemnity coverage, up to the policy’s limits of liability, for such network and information security offenses.

Independent contractor coverage

Your firm hires a contract attorney to assist with the defense of a complex case. The contract attorney fails to answer the complaint in a timely manner and a default is entered against your client. As a result, a lawsuit is filed against the contract attorney and your firm. With a Travelers policy, our broad definition of “insured” will automatically provide coverage to the contract attorney and your firm, up to the selected limits of liability.
