# Kidnap, Extortion, Detention, Hijack & Piracy

Travelers have been at the forefront of Kidnap & Ransom (K&R) insurance for over 30 years and during this time we have not only learned a lot about the security threats that can occur, but more importantly the support that our clients need when incidents happen.

We provide tailored cover for small, medium and very large organisations as well as private (families) and ship owners, covering worldwide exposures for limits up to USD 50,000,000. We cover every industry from media/entertainment personalities and their families to aid agencies, mining, oil & gas companies through to accounting, law and IT firms – there is no industry that is immune from these threats.

Through our response providers, SPS Global Assistance Group, we look to provide specialist expertise in ensuring you get the right advice when incidents occur. We also look to tailor the cover for your bespoke needs and can offer a policy period from a 1 day “trip” up to 3 years.
