

# Tim Francis

## Vice President, Enterprise Cyber Lead, Travelers

Tim Francis is a Vice President at Travelers and serves as the company's Enterprise Cyber Lead. In that role, Tim has oversight of the company's cyber product management, including underwriting strategy and products for businesses of all sizes, public entities, and technology firms.

Named an "Industry Icon" by *Insurance Business*, Tim is one of the insurance industry's foremost cyber experts, with comments appearing in a number of premier media outlets, including *The Wall Street Journal*, *USA Today*, *CNBC.com*, *Reuters*, *Insurance Journal*, *PropertyCasualty360* and *Business Insurance*, among others. He has served as a committee chair for many prominent cyber conferences and is frequently a featured speaker on the evolution of cyber risks and how businesses can protect against them.

A graduate of the University of Maine, Tim has been with Travelers since 2005, and became the company's Enterprise Cyber Lead in 2010.
