

Giving Guidelines for The Travelers Companies, Inc. and the Travelers Foundation

Travelers believes that strong communities are sustained by educational and economic opportunities — and we are dedicated to assisting our communities in generating those opportunities. With a focus on equity and inclusion, we target our giving and volunteerism to help improve academic and career success, develop thriving neighborhoods and create culturally enriched communities.

Travelers contributes to organizations that prepare historically underrepresented students to lead tomorrow's workforce, develop vibrant communities through small business support and neighborhood revitalization, and enhance lives and learning through arts & culture.
