

\*\*\*\*\* DISCLOSURE \*\*\*\*\*

We are providing a list which contains the name of every Registered Auto Body Repair shop in your County. We will give you the list of Registered Repair Shops in other counties at your request. Massachusetts Law requires that all repair shops be registered. An insurance company cannot pay for any repair work done by an illegal unregistered shop.

We have bolded all the **Travelers Referral Repair Shops** on the list. These **Referral Repair Shops** have an agreement with us to perform the repair work listed on our appraisal for the amount we pay you plus that part of the damage for which you are responsible (your deductible). We will guarantee the quality of repairs done by a **Travelers Referral Repair Shop**. You are not required to use any of these shops and may go to any repair shop on this list. We will negotiate with that registered repair shop, but we cannot promise that we will pay the difference between our check plus your deductible and the amount the shop charges to repair your auto. If your vehicle is declared a total loss we also cannot promise payment of all storage charges and other associated expenses incurred at a Non-Referral shop. **We do not guarantee the quality of repairs done by a registered shop unless it is a Travelers Referral Repair Shop.**

\*Remember, when you choose a **Travelers Referral Repair Shop**, the workmanship is guaranteed by both the body shop and Travelers Insurance.

Thank you for giving us the opportunity to serve you.
