Coverage built for today's complex risks

Travelers Contractors Equipment Insurance has available coverage for scheduled equipment, unscheduled owned equipment and equipment leased, rented or borrowed from others. Our solutions help protect against common and severe loss scenarios, including theft, vandalism, fire, accidents and natural disasters such as flood and earth movement. Coverage is modular, allowing you to tailor protection to each customer – and as companies evolve, Travelers Contractors Equipment Insurance provides the flexibility to grow with them.

Available coverages and extensions such as:

- Debris removal
- Newly acquired equipment for up to 180 days
- Rental costs
- Business personal property in job trailers
- Employee tools
- Hauling property of others

Optional enhancements include:

- Automatic increased limits
- Coverage for equipment while underground or waterborne

Two ways to write more business – faster than ever

Travelers now offers placement options within our fast, easy and flexible *Travis* quoting platform to help you meet diverse customer needs:

- **Stand-alone Coverage:** Our Travelers Contractors Equipment Insurance policy provides flexible, customizable coverage with equipment values up to **\$5 million** – ideal for accounts needing equipment protection or stand-alone coverage without a package policy.
- **BOP 2.0 Integration:** When quoting BOP 2.0, you can include contractors equipment coverage with equipment values up to **\$2.5 million** on the same policy – ideal for accounts needing standard equipment protection bundled with their package.
