

ANN MARIE COLAPIETRO

**VICE PRESIDENT
ENTERPRISE DISTRIBUTION – OPERATIONS
TRAVELERS**

Ann Marie Colapietro (or AMC as she is known) has over 35 years of experience in the Property & Casualty industry. AMC joined Travelers in 2004 and has held roles of increasing responsibility focused on strategy, process and execution, with a particular focus on optimizing workflows and improving the experience for Travelers' field and agency partners. Prior to joining Travelers, Ann Marie was with The Hartford, serving in product, compliance and actuarial competitive analysis roles.

In her current role, Ann Marie is responsible for financial analytics and internal and external operational deliverables. She also coordinates our engagement with national and regional industry associations (e.g., IIABA, CIAB). Ann Marie is responsible for agency engagement for key events, including the Travelers Leadership Conference (TLC), the Travelers Championship and the Council of Insurance Agents & Brokers Insurance Leadership Forum (ILF).

In her free time, AMC enjoys traveling and spending time with her husband and extended family, suffers through the occasional round of golf (but not as much as her playing partners do!) and has a newfound passion for competitive ballroom dancing.

Ann Marie is a graduate of the University of St. Joseph (CT) with a bachelor's degree in business administration. She received her MBA from the Barney School of Business at the University of Hartford. She has held a Connecticut Property & Casualty Producer license for most of her career.
