

**ANTHONY GIANNONE (TONY)**

**VICE PRESIDENT  
MULTINATIONAL ACCOUNTS  
TRAVELERS**

Tony joined Travelers in 1997 and has had various management roles. For the last 10 years, he has served as Vice President of Travelers Multinational Accounts, which helps Travelers customers meet their cross-border insurance and business needs. Tony sits on the Board of Directors for the International Network of Insurance, the world's largest network of independent insurers, covering more than 150 countries. Tony was appointed Chairperson of the Board in 2024, the first for Travelers in its 40+-year membership with the Network. Prior to Multinational, Tony served 18 years as the President of Travelers' Boiler & Machinery division, which provides equipment breakdown products and engineering services to businesses on a global basis. Between 2008 and 2014, he also served as the National Sales Director of First Party Lines, which comprises National Accounts Property, Inland Marine, Ocean Marine and Boiler & Machinery.

He holds a B.S. in Finance and Marketing from Marist College and an MBA in Finance from Pace University's Lubin School of Business in New York City.
