

**BRIAN GERRITSEN, CPCU, ARM**

**ASSISTANT VICE PRESIDENT  
MIDDLE MARKET MANUFACTURING  
SEGMENT LEADER  
TRAVELERS**

Brian is an Assistant Vice President and Manufacturing Segment Leader on the Commercial Accounts IndustryEdge team. He is responsible for maintaining market-leading appetite and underwriting expertise, partnering with Risk Control and Claim to ensure our service value proposition meets the ever-changing needs of our manufacturing customers. Ongoing customer focus includes employee and product safety, protecting unique assets as manufacturing technology evolves, supply chain resiliency and maintaining marketplace brand and reputation. Brian joined Travelers in 2015 as a Managing Director in Excess Casualty and moved into his current role in 2019. Prior to joining Travelers, he had various product and industry leadership roles with Fireman's Fund and Allianz.

Brian completed the honors program in Economics at the University of California, Irvine. He holds the CPCU and ARM designations from The Institutes. Brian is based in San Francisco.
