Target market

Public Sector is a commercial product suitable for local and central government, blue light and social housing organisations who wish to insure the risks associated with the running of their services.

Types of customer for whom the product would be unsuitable

The Public Sector Local Authority product is designed for local and central government, blue light and social housing organisations. The employers liability and public and products liability covers are not available to Tier 1 local authorities, police or fire authorities. The motor cover is not available for police or fire authorities. It is not suitable for other trade sectors for which there are more appropriate insurance solutions.

Please refer to the policy documentation for full details of cover and exclusions.

Any notable exclusions or circumstances where the product will not respond

As is commonplace for Insurance products for this sector there are a number of general Exclusions including but not limited to:

- War and allied risks
- Terrorism (except where covered under the Terrorism section)
- Asbestos
- Silica
- Pollution
- Cyber Risks
- Punitive and other non-compensatory damages

Other section specific exclusions will apply, depending on the coverage selections made by the customer.

Policy excesses and cover limits are assessed on a risk by risk basis, taking into account market standards, and selected by the customer.

Please refer to the policy documentation for full details of cover and exclusions. This product statement does not, in any way, alter the cover under the policy.

Other information which may be relevant to distributors

This document is to be read in conjunction with the full policy wording.

The distribution strategy is considered appropriate for the target market with customers having the option to purchase these products through a distributor of their choice. This product may be sold by suitably skilled authorised persons:

- on an advised basis
- face-to-face
