

Eileen Kauffman is the Global Practice Leader of Travelers Renewable Energy, responsible for all aspects of the company's growing renewable energy business. She is the Chair of Travelers Pride & Allies Diversity Network.

She began her Travelers career in 2006 as a Senior Underwriter and has served in various underwriting management roles helping customers manage their cost of risk. She was also recently chosen to act as consultant and advisor of Travelers' Sustainability project. She has 25+ years experience in commercial property & casualty underwriting.

Eileen is active in her community and serves as the Chair of the Board of Directors for Urban Bike Project in Wilmington DE. Urban Bike Project is a non-profit community bike shop providing access to bicycling as a healthy, affordable and practical means of transportation and recreation. Bikes change lives and revolutionize communities!

Eileen studied at Penn State University.
