

**JAMES STANDISH**

**VICE PRESIDENT  
NATIONAL PRACTICE LEADER  
TECHNOLOGY & LIFE SCIENCES  
TRAVELERS**

James Standish is the National Practice Leader for the Travelers Technology & Life Sciences business unit, which has been providing insurance solutions to information technology and software, electronics manufacturers, telecommunications and life sciences companies for over 40 years. Travelers Tech & Life Sciences provides Workers Compensation and Casualty lines on a guaranteed-cost and loss-sensitive basis, as well as property, umbrella, cyber and E&O coverage.

Previously, James was the Field Practice Leader for the Great Lakes, Metro, Mid-Atlantic and Northeast regions within Travelers Tech & Life Sciences and he has extensive experience leading underwriting teams at the regional and national level. In addition to Technology & Life Sciences, James has worked in Management Liability, Surety and Specialty Inland Marine.

James serves as a director for a nonprofit corporation and is a past steering committee member for the Hartford chapter of the Professional Liability Underwriting Society.

James is a graduate of Louisiana State University and has a Bachelor of Science degree in Economics and a Master of Business Administration degree.
