

LAUREN WINCHESTER

**HEAD OF CYBER RISK SERVICES
TRAVELERS**

Lauren Winchester is the head of Cyber Risk Services at Travelers. Cyber Risk Services is responsible for policyholder cyber services and experience at Travelers, combining excellent customer service, expertise and vendor relationships with vulnerability scanning and threat intelligence to create a proactive, tailored and scalable cyber risk management experience. The team also works closely with the Claim team to capture and leverage incident response data for the benefit of cyber policyholders. In prior roles, Lauren handled over 1,000 cybersecurity incidents for organizations in healthcare, financial services, higher education, retail, professional services and more.

Prior to joining Travelers via an acquisition of Corvus Insurance, Lauren spent five years on the Breach Response Services team at Beazley. She began her career as a practicing attorney in Philadelphia at Fox Rothschild LLP, an Am Law 100 firm, focusing on commercial litigation and data privacy.

Lauren graduated cum laude from Seton Hall University School of Law, where she was an editor for the Seton Hall Law Review. She also earned her B.S. in political science and graduated with honors from Carnegie Mellon University. She is admitted to practice law in Pennsylvania and New Jersey. Lauren holds a CIPP/US certification.
