

Mano Mannoochahr

Chief Data and Analytics Officer

Mano Mannoochahr is Senior Vice President, Chief Data and Analytics Officer, for Travelers.

Mannoochahr is responsible for leading the development and delivery of Travelers' data and analytics strategy, with a focus on risk analytics, customer experience and improving productivity and efficiency of the business. He also chairs the Travelers Data & Analytics Leadership Council comprised of senior leaders from across the business, technology, analytics, actuarial and legal functions.

A member of the Travelers Executive Operating Committee, Mannoochahr provides thought leadership and drives the execution of an integrated business and technology strategy

for Data, Analytics, and Artificial Intelligence across Travelers.

Mannoochahr joined Travelers in 2019 from General Electric (GE), where he was CIO for GE Transportation, following roles as the company's Chief Data & Innovation Officer and CIO for GE Energy. Before that, he worked for John Deere as Global Director of Data, Analytics and Technology Architecture functions.

He holds a Bachelor of Science degree in Computer Engineering from the University of Kansas and an MBA from the Kellogg School of Management at Northwestern University.
