

RENEE WYNN

**FORMER CHIEF INFORMATION
OFFICER**

**NATIONAL AERONAUTICS AND
SPACE ADMINISTRATION (NASA)**

Renee Wynn is a leader with over 30 years of experience in environmental policy, global information technology and cybersecurity operations, supply chain, risk management, and ESG. She led programs at the Environmental Protection Agency (EPA) and served as the CIO at an iconic agency, National Aeronautics and Space Administration (NASA).

Renee currently serves as an independent board member for Axonius, a cybersecurity company. She serves on the Board of Advisors at MITRE, Interos, Dataminr, MESH Experience and Level6 Cybersecurity.

To continue a lifetime in service to others, Renee serves on the Board at The Women's Center, a Virginia and Washington, DC-based non-profit organization dedicated to improving the community's mental health and well-being through counseling, education, support, and advocacy. She also serves on the Board of the Virginia Tech – Applied Research Corporation (VT-ARC).

Renee earned a bachelor's degree in economics from DePauw University.
