

Sarah Grace

**Managing Director
Innovation and Strategy**

Sarah Grace, RN, is the Managing Director of Medical Innovation and Strategy at Travelers. After graduating from the University of Connecticut with a B.A. in Psychology and Goodwin University with an associate degree in Nursing, she worked at a local hospital both in mental health and orthopedics as a nurse. Having now spent nearly 14 years in the workers compensation industry, she carries her deep passion for supporting and caring for people directly into her work at Travelers. She specializes in implementing countrywide initiatives and pushing for innovative and industry-leading strategies that are focused on improving the recovery experience for an injured employee.
