The product offers coverage for:

- Costs, fees and expenses for Security Services of Response Consultants where there is clear and imminent danger
- Additional expenses

This product includes the option to remove exclusions for the payment of additional premium.

In accordance with the FCA PROD4 rules, a product review and fair value assessment has been completed for this product.

The product has been subject to Travelers' product review process and signed off by our authorised approvers as representing fair value to customers and may continue to be marketed and distributed.

This product meets the needs detailed within the Target Market Statement.

The product provides fair value to customers and is working as designed. Key metrics on usage and product value are monitored; the product is suitable for use and we have not identified any barriers to claims.

Our assessment of fair value includes review of the following management information (where available – not all data will be available for new products) as well as any other relevant insight:

- Average Premium
- Average Claims Pay-out
- Loss Ratio
- Policy Cancellations
- Claim Declinatures as % of Total Claims
- Claims Acceptance Rate
- Number of Complaints
- Complaints as % of Claims
