

**TIM CORRIGAN**

**VICE PRESIDENT  
RISK CONTROL LAB  
TRAVELERS**

Tim Corrigan is a Vice President at Travelers, where he leads the Risk Control Forensic and Industrial Hygiene Laboratory. He works with a team of forensic engineers, scientists and technical specialists who provide expert analysis to support claim investigations and help organizations manage and mitigate risk.

Prior to his current role, Tim spent 15 years in leadership roles within the Travelers Claim organization, collaborating with teams across the U.S. and internationally. Before joining Travelers, he held positions with other global insurers after beginning his career as a trial lawyer in Boston.
